

### Turnkey Solution #3

## Renovation

### About The Service

eBuildBazaar also offers real estate renovation projects services for both residential and commercial properties. Our teams of experienced professionals can handle any project you have in mind, from remodelling a single room to renovating an entire building.

eBuildBazaar is your one-stop solution for just that.

Our services include design consultation, project management, and construction services. You can hire a professional contractor from us to help you with the project and ensure that it is done correctly and safely. If all else fails, eBuildBazaar itself becomes your contractor.
